Tucson, Arizona – February 26, 2015 Darling Geomatics, an award winning global provider of professional 3D Laser Scanning, 3D Modeling, Land Surveying, and Environmental Services, received national certification as a Women’s Business Enterprise by the Women’s Business Enterprise Council - West, a regional certifying partner of the Women’s Business Enterprise National Council (WBENC).

WBENC’s national standard of certification implemented by the Women’s Business Enterprise Council – West is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.

About Darling Geomatics

Darling Environmental & Surveying, Ltd. dba Darling Geomatics, headquartered in Tucson, Arizona, is a high tech precision 3D scanning, 3D modeling, land surveying and environmental permitting firm that has operated successfully since 1997. Darling’s unique team brings extensive experience and expertise that far exceeds industry average. Our team is safety trained in a variety of industries including electrical power transmission and distribution, oil and gas pipeline work, underground and surface mining, confined space and more.

Darling uses 3D Laser Scanning to make accurately measured *virtual duplicates of virtually anything*. Our 3D deliverables normally save clients 3 to 10 times the cost of our services and increase their safety, measurement accuracy and project profitability! Our integrated land surveying / 3D scanning assures accurate geospatial reference and superior precision. Darling employees have unsurpassed experience with tens of thousands of man hours performing 3D scanning and modeling since 2002. The company portfolio includes a Blue Chip client base; a solutions based approach to clients needs; responsive precision measurement experts; and long term client partnering.

About WBENC

The Women’s Business Enterprise National Council is the nation’s largest third party certifier of businesses owned and operated by women in the United States. WBENC is a resource for the more than 700 US companies and government agencies that rely on WBENC’s certification as an integral part of their supplier diversity programs.
