

Tucson, Arizona December 1, 2014. Darling Environmental & Surveying, dba Darling Geomatics, a consulting business specializing in the Integration of Land Surveying and High Tech 3D Laser Scanning and 3D Modeling, received national certification as a Women's Business Enterprise by the organization Women's Business Enterprise Council- West, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification implemented by the organization Women's Business Enterprise Council- West is a meticulously thorough process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs. To learn more about Darling Geomatics, please visit darlingltd.com
